ABOUT US

Cannabis encompasses culture, politics, business and health. In this new era of legalization, conversation is normalization, ending stigma, influencing policy and helping to create a more equitable industry. "Planted with Sara Payan" informs, educates and engages audiences through its platform, highlighting a diverse and impactful roster of guests.

PETER COYOTE

LITTLE STEVEN VAN ZANDT

We love deep dives with industry leaders, policy giants and influential luminaries shaping our culture. Drawing our listeners into the conversations, turning them on to new concepts and products and piquing their curiosity is what fuels the creative process of Planted. As policy works, cultivating voter engagement is also an important goal, as is approaching cannabis through a bipartisan lens.

In this new era of normalization, it's important to have frank conversations about the impact of cannabis and the latest information about policy, business, pop culture and science. Educating the public and highlighting the real stories behind the movement and industry are essential to provoke critical thought and impactful change.

WHY PODCAST SPONSORSHIP?

HARNESS A POWERFUL PLATFORM

Target your ideal listeners by partnering with Planted and sponsoring a series of episodes. Harness the lucrative power of podcasting without much effort. In the cannabis industry, the lack of adequate and compliant advertising options makes podcasts a valuable tool for marketing your business. Your audience is waiting!

NICHE & CAPTIVE AUDIENCE

Find an audience interested in your offering through sponsorship. Our audience ranges from the canna-curious to the seasoned expert. Our dedicated listeners enthusiastically anticipate our specialized content and love to tell us about it! Our platform makes for incredibly targeted demographics that you would be hard-pressed to find elsewhere from a marketing perspective.

LOYAL AUDIENCE BASE

Podcasters cultivate relationships with their audiences. Listeners are incredibly loyal and tend to patronize companies and brands that sponsor their favorite shows. Per SEMrush, 20% of people are more likely to consider supporting a brand if it's advertised on their favorite podcast. 60% of listeners said they searched for a product after hearing about it on a podcast.

PODCAST ADS ARE EVERGREEN

There is no expiration date with podcast advertising. When new listeners find a podcast, those listeners will often go back and listen to all previous episodes, so even though the episodes might be old, those ads will still regularly reach new ears. Now that's an investment that keeps giving!

WONDERFUL EPISODE WITH PETER COYOTE

"I JUST FINISHED LISTENING TO THE LATEST EPISODE WITH A WONDERFUL CONVERSATION BETWEEN SARA AND PETER COYOTE. IT IS VERY INSPIRATIONAL TO HEAR THAT HE IS LIVING HEALTHY AND HAPPY AS A ZEN PRIEST IN LOVE... ALTHOUGH PODCASTS ARE DELIVERED THROUGH SOUND AND SPEECH, YOU CAN PERCEIVE COYOTE BURNING BRIGHTLY THROUGH HIS WORDS OF COMPASSION AND INSIGHT... HIS BOOK 'SLEEPING WHERE I FALL' IS A GREAT ACCOMPANIMENT TO EMMETT GROGAN'S 'RINGOLEVIO' ON THE HISTORY OF THE DIGGERS AND PROVIDES A BALANCE TO THE MYTHS OF THAT MIND-BLOWING PERIOD OF TIME... I HAVE APPRECIATED ALL THAT I HAVE HEARD AND LEARNED ON THE PLANTED PODCASTS, AND THIS EPISODE WAS SPECIAL AS COYOTE HAS BEEN KIND OF A HERO TO ME FOR MANY YEARS...NOT A LEADER TO FOLLOW BLINDLY, BUT TO PAY ATTENTION WITH EYES, AND HEART, WIDE OPEN... THANK YOU SARA PAYAN AND PETER COYOTE FOR ALL YOU DO! MAY YOU HAVE HAPPINESS AND THE CAUSE OF HAPPINESS..."
